HOUSE MOTION _____

MR. SPEAKER:

I move that House Bill 1723 be amended to read as follows:

- 1 Page 4, line 34, delete "6,423,200,000" and insert "**6,420,200,000**".
- 2 Page 8, between lines 34 and 35, begin a new paragraph and insert:
- 3 **"SCHOOL PERFORMANCE AWARDS**
- 4 **Other Operating Expense 6,000,000**
- 5 **The above appropriation for school performance awards shall be**
- 6 **used as grants to each local school corporation or charter school in**

- 12 **program.**
- 13 **The maximum total school performance award for which a school**
- 14 **corporation or charter school is eligible is equal to the sum of the**
- 15 **school performance awards granted for each school maintained by**
- 16 **the school corporation or charter school. The amount of the award**
- 17 **for an individual school maintained by a school corporation or**
- 18 **charter school is equal to thirty dollars (\$30) multiplied by the**
- 19 **number of students enrolled in the school that took the ISTEP**
- 20 **program exam, if the number of students enrolled in the school**
- 21 **that received a passing score on the exam, as set by the state board**
- 22 **of education, is at least ninety percent (90%) of the students**
- 23 **enrolled in the school who took the exam; twenty-five dollars (\$25)**
- 24 **multiplied by the number of students enrolled in the school that**

took the ISTEP program exam, if the number of students enrolled in the school that received a passing score on the exam, as set by the state board of education, is at least eighty percent (80%) of the students enrolled in the school who took the exam; twenty dollars (\$20) multiplied by the number of students enrolled in the school that took the ISTEP program exam, if the number of students enrolled in the school that received a passing score on the exam, as set by the state board of education, is at least seventy-five percent (75%) of the students enrolled in the school who took the exam; fifteen dollars (\$15) multiplied by the number of students enrolled in the school that took the ISTEP program exam, if the number of students enrolled in the school that received a passing score on the exam, as set by the state board of education, is at least seventy percent (70%) of the students enrolled in the school who took the exam; ten dollars (\$10) multiplied by the number of students enrolled in the school that took the ISTEP program exam, if the number of students enrolled in the school that received a passing score on the exam, as set by the state board of education, is at least sixty-five percent (65%) of the students enrolled in the school who took the exam; five dollars (\$5) multiplied by the number of students enrolled in the school that took the ISTEP program exam, if the number of students enrolled in the school that received a passing score on the exam, as set by the state board of education, is at least sixty percent (60%) of the students enrolled in the school who took the exam; and zero dollars (\$0), if the number of students enrolled in the school that received a passing score on the exam, as set by the state board of education, is less than sixty percent (60%) of the students enrolled in the school who took the exam.

The department of education shall distribute school performance awards in one (1) installment to each qualifying school corporation and charter school before October 1 immediately following the beginning of the state fiscal year in which the award is given.

Money received by a school corporation or charter school as a school performance award may not be expended for compensation of any employee or independent contractor, including salaries and bonuses.

It is the intent of the 2009 general assembly that the above appropriation for school performance awards is the total allowable state expenditure for the program. Therefore, if the expected disbursements are anticipated to exceed the total appropriation for a state fiscal year, the department of education shall reduce the distributions proportionately."
